Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

Vulnerable Populations (elderly, families with small children, disabled, high energy burden households, and veterans) are allowed to apply early and receive pre-approval up to 30 days before the normal winter season application period. Payment benefits are issued to the prioritized households first. We also offer home visit services to homebound tribal members as needed in order to assist and complete their application process. Also, the lower the total household income, the greater their fuel assistance benefit.

2.5 Check the variables you use to determine your benefit levels. (Check all that apply):

- Income
- Family (household) size
- Home energy cost or need:
  - Fuel type

<table>
<thead>

<th>Eligibility Guideline</th>
<th>Eligibility Threshold</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>All Household Sizes</td>
<td>State Median Income</td>

</tbody>
</table>

4.2 Provide your LIHEAP program's definition for determining a crisis.

A client is determined to be in crisis if they have received an imminent shut off notice, are almost out of heating fuel, or malfunctioning equipment has caused them to be unable to heat their home.

4.3 What constitutes a life-threatening crisis?

A client is determined to be in a life threatening crisis if any of the following conditions exist: Households that need electricity for medically prescribed equipment/devices, medication that requires refrigeration, clients experiencing post medical procedures, households experiencing temperatures below 40 degrees Fahrenheit, or households that contain any members of vulnerable populations with absolutely no heat.

Crisis Requirement, 2604(c)

4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 48 Hours

Renters? ☐ Yes ☐ No
Renters living in subsidized housing?  
- Yes  
- No  

Renters with utilities included in the rent?  
- Yes  
- No  

Explanations of policies for each "yes" checked above:

Vulnerable populations have top priority processing preference, which means that although applications are processed on a first come, first served basis, any applications received with households containing our vulnerable populations are processed before any applications not containing vulnerable members.

A shut off notice is required as proof of imminent danger of termination or client must have less than 1/8 of a tank left of deliverable fuel.

Renters with heat included in their rent are not eligible for emergency assistance.

Determination of Benefits

4.8 How do you handle crisis situations?

- Separate component

- Fast Track

- Other - Describe:
  - We require the same information as on our seasonal applications, but expedite the approval and action times to be less than 48 hours for crisis and less than 18 hours for life threatening emergencies to be addressed. Current clients are not required to submit additional information except for a shut off notice and a description of the emergency, including how and why the emergency occurred.

4.9 If you have a separate component, how do you determine crisis assistance benefits?

- Amount to resolve the crisis.

- Other - Describe:

#### 9.2 How do you notify the client of the amount of assistance paid?

A letter is mailed to the client stating that they are approved for assistance. They are mailed another letter once the payment check is mailed to their vendor, which states the client's total benefit amount, the amount paid, the name of the vendor, the date the check was mailed, and any additional funds (if there are any left) remaining from their LIHEAP benefit.

#### 9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

We contact the customer and company when receiving the required invoice for delivery to make sure payment requirements are accurate and up-to-date, and ensure that everyone agrees that the amount due from the client, both before and after LIHEAP services are rendered, is accurate. Most vendors willingly put a promise in a note on the account that can be referenced by the client or by the company showing that the Tribe will be paying a portion of their heating bill.

#### 9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

We have vendor contracts that ensure fair treatment for our LIHEAP clients. If a vendor is found to have treated a LIHEAP client adversely or unfairly, then the Tribe would sever its contract with that vendor and no longer issue payments or refer clients to that vendor for heating services.

#### 9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

- Yes  
- No

If so, describe the measures unregulated vendors may take.
