VOLUME IX, CHAPTER D, APPENDIX B, PAGE 1

BENEFIT DETERMINATION/POINT VALUES DETERMINATION

The values below remain constant from year to year.

HOUSEHOLD SIZE

<u>No. of Persons</u>	<u>Points</u>
6 or more	15
3 to 5	12
1 to 2	9

HOUSEHOLD INCOME

<u>Income as % of Max Level</u>	<u>Points</u>
0 to 19	25
20 to 29	20
30 to 39	18
40 to 49	15
50 to 59	13
60 to 69	10
70 to 79	8
80 to 89	5
90 to 94	3
95 to 100	1

Income levels based on 150% of the Poverty Income Guidelines are determined. The system calculates the percentage of the maximum income level for the household's income to determine the point assignment.

CLIMATE ZONES

<u>Zone</u>	<u>Points</u>
Central Mountain	20
Southwestern Mountain	18
Northern	16
Western Piedmont	13
Eastern Piedmont	12
Tidewater	8

VULNERABILITY

<u>Condition</u>	<u>Points</u>
Elderly ( <b>60 and over</b> )	20
Disabled	15
Child under 6	12

Points are not cumulative, but are assigned by the system for the one condition present in the household with the highest point value.

LIVING ARRANGEMENTS

Living arrangement codes A, C, E, G, and P have a point value of 20.

PRIMARY FUEL

The point value for primary fuel changes on a yearly basis. An annual survey of vendors is conducted to determine the current price per fuel type. Consumption data is obtained from a Cost and Consumption study conducted by Virginia Tech. Costs are then calculated and ranked in order. The highest cost fuel type is assigned 20 points. All other fuel types are assigned points based on the cost of the fuel type as a percentage of all fuel **costs**.

ENERGY BURDEN

The average fuel cost obtained from the annual survey will be divided by the income of the household to determine the household's energy burden. The point assignment based on percentage of energy burden is as follows:

<u>Percentage</u>	<u>Points</u>
0 - 19	0
20 - 29	5
30 - 39	8
40 - 49	10
50 - 69	13
70 - 79	18
80 - 89	20
90 - 94	24
95 - 100	25

This page from the EAP Guidance Manual provides local staff with the income limits (150% FPL). These were used for Cooling Assistance in June of 2021 and will be used for Heating and Crisis Assistance in FY 2022. (Virginia begins to use the new income limits, which are optional until the start of the next FFY, in June of each year.)

VIRGINIA DEPARTMENT  
OF SOCIAL SERVICES

ENERGY ASSISTANCE

05/21

VOLUME IX, CHAPTER B, PAGE 5

6. INCOME

The gross income, both earned and unearned, of each member of the household is to be considered in determining eligibility. The gross income of an individual who, due to a court order, is not included in the number of household members eligible for assistance is to be counted in determining eligibility for the household unit. Money that is paid to a household member by another household member is not considered income.

a. Income Levels

No eligible household shall exceed the income maximums set by the VDSS, except households in which all members are SSI recipients. If all household members receive SSI, follow instructions in the Interim Business Process (IBP) entitled "Energy Assistance Cases Incorrectly Denied for SSI Income" to approve the household. The maximum monthly countable income for each household size is:

Household Size	Maximum Income		Household Size	Maximum Income
1	\$1,610		11	\$7,285
2	\$2,178		12	\$7,853
3	\$2,745		13	\$8,420
4	\$3,313		14	\$8,988
5	\$3,880		15	\$9,555
6	\$4,448		16	\$10,123
7	\$5,015		17	\$10,690
8	\$5,583		18	\$11,258
9	\$6,150		19	\$11,825
10	\$6,718		20	\$12,393

b. Exempt Income

The following exemptions will be applied in establishing eligibility for any EAP component.

- 1) Home produce of the assistance unit utilized for their own consumption.
- 2) The value of SNAP benefits.
- 3) The value of foods donated under the U.S.D.A. Commodity Distribution Program, including those furnished through school meal programs.

TRANSMITTAL #21-1

The Information Sheet that is available to the public contains the income limits (150% FPL) that will be used in FY 2022. These were used for Cooling Assistance in June of 2021 and will be used for Heating and Crisis Assistance in FY 2022. (Virginia begins to use the new income limits, which are optional until the start of the next FFY, in June of each year.)

## NEED HELP WITH HEATING OR COOLING?

See if you might be eligible at <https://commonhelp.virginia.gov/access/>.

Applications for help with your heating and cooling bills or equipment needs are accepted online (at <https://commonhelp.virginia.gov/access/>), by calling the Enterprise Customer Service Center at (855) 635 – 4370, and at your local department of social services.

**Fuel assistance** helps with home heating costs; but can also be used for furnace re-starts, late charges, delivery charges, installation charges, and connection or re-connection fees. *Applications are accepted online, through the Enterprise Customer Service Center, and at local departments of social services from the second Tuesday in October through the second Friday in November.* Benefits are determined and authorizations for deliveries or service are sent to vendors in December.

**Crisis assistance** is intended to meet a household's emergency heating need, when no other resource is available.

- *Applications are accepted online, through the Enterprise Customer Service Center, and at local departments of social services from November 1 through March 15* for the following: one time only heat security deposit and/or heating equipment repair/purchase. *Assistance is based on the availability of funds.*
- *Applications are accepted online, through the Enterprise Customer Service Center, and at local departments of social services from the first workday in January through March 15* for the purchase of home heating fuel and the payment of heat utility bill. *Assistance is based on the availability of funds.*

**Cooling assistance** provides purchase or repair of cooling equipment and/or payment for electricity to operate cooling equipment. To be eligible, a household must contain at least one vulnerable individual who is age 60 or over, is living with a disability, or is under age 6. *Applications are accepted online, through the Enterprise Customer Service Center, and at local departments of social services from June 15 through August 16. Assistance is based on the availability of funds.*

Eligibility criteria for assistance include:

- Must be resident of the locality in which application is made
- Must have a heating or cooling expense responsibility
- Monthly gross income may not exceed:

Household Size	Maximum Income		Household Size	Maximum Income
1	\$1,610		11	\$7,285
2	\$2,178		12	\$7,853
3	\$2,745		13	\$8,420
4	\$3,313		14	\$8,988
5	\$3,880		15	\$9,555
6	\$4,448		16	\$10,123
7	\$5,015		17	\$10,690
8	\$5,583		18	\$11,258
9	\$6,150		19	\$11,825
10	\$6,718		20	\$12,393

If you suspect Fraud or Abuse of any kind, report it to your Local Department of Social Services or call 1-800-552-3431.

The Virginia Department of Housing and Community Development (DHCD) administers the Weatherization Assistance Program (WAP). The WAP reduces household energy use through the installation of cost-effective energy savings measures, which also improve resident health and safety. Common measures including sealing air leaks, adding insulation, and repairing heating and cooling systems. DHCD works with a network of nonprofit organizations around the state, who directly implement the program. More information is available at <https://www.dhcd.virginia.gov/wx>
