Low-Income Home Energy Assistance Program (LIHEAP)

LIHEAP runs from Nov. 10 – April 15 for heating assistance and from May 11 – Sept. 11 for cooling assistance

Sac and Fox Nation Human Services Department 918-968-3526

The Sac and Fox Nation Human Services LIHEAP Program is a federally funded program that helps low-income households with their home energy bills. LIHEAP can help you stay warm in the winter and cool in the summer. By doing so, you can reduce the risk of health and safety problems (such as illness, fire or eviction). We encourage you to apply at our office in Stroud or at the Shawnee Multi-Purpose Center. Please call us at the number to the left if you have any questions. The program runs from Nov. 10 through April 15 for heating and from June 11 through Sept. 11 for cooling.

To qualify for LIHEAP, you must be an enrolled member of a federally recognized tribe and reside within the Sac and Fox Nation jurisdictional boundaries.

PLEASE BE PREPARED TO PROVIDE THE FOLLOWING:

CDIB cards for all household members (birth certificates for those without a CDIB)

Social Security cards for all household members.

Driver's license or photo I.D.

Current utility bill or cut-off notice.

Proof of income-including paycheck stubs, Social Security or disability benefits, unemployment compensation, pension or retirement funds, etc. for all household members 18 years of age or older. Other documents may be required based on your situation.
