It is our policy to prioritize processing of applications whose households include at least one elderly, disabled, or child under the age of 2 years of age priority group members above applicants whose household do not include a priority group member.

It is also our policy that applicants from households with high energy burdens be expedited if their electricity utility is scheduled to be shut off within 14 days, or we have verified with their Tribal Administrator that they are out of fuel or have less than three days worth of fuel, and have exhausted their crisis assistance resources.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

Explanations of policies for each “yes” checked above:

- Households with at least one elderly, disabled, or infants under two years of age are prioritized ahead of other applicants. Households with high energy burdens are asked to apply for other programs and agency resources. Their applications are expedited.
- Households must explain their condition of need for immediate assistance including electricity shut off notices within 14 days, less than 15 gallons of heating fuel, exhausted all resources, and identify at least one member from the vulnerable population group for life-threatening situations. We verify this with their Tribal Administrator. We continue to educate clients that this service is for those who are truly in need of immediate assistance.
- Our policy requires renters to provide a copy of their rental agreement in order to determine eligibility. This is accepted as proof of responsible party for energy of that dwelling. A household that does not pay for their heat, or pays less than $200 annually, is ineligible for heating assistance.

**Determination of Benefits**

4.8 How do you handle crisis situations?

- Separate component
- Fast Track
- Other - Describe:

  For FY20 we will continue to have Crisis applicants EAP application expedited in order to provide a larger benefit amount within the 48 and 18 hour requirement.

  Households who meet the crisis criteria after exhausting their General EAP benefit will be recertified for household members and income and then further assisted if needed.

4.9 If you have a separate component, how do you determine crisis assistance benefits?

- Amount to resolve the crisis.
- Other - Describe:

  The amount of crisis assistance benefit amount is up to 55 gallons of heating fuel as determined by our annual payment matrix; or ten gallons of gasoline and one quart of motor oil for those who harvest firewood. The amount depends on the cost of heating fuel, number of households assisted in the previous program year, and the amount of LIHEAP funding.

Crisis Requirements, 2604(c)

4.10 Do you accept applications for energy crisis assistance at sites that are geographically accessible to all households in the area to be served?

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
