# Section 1 - Program Components

## Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

<tr>

</tr>
</tbody>
</table>

Provide further explanation for the dates of operation, if necessary

We do not run a cooling program. Crisis is expedited processing of an application, not a second application. We do allow households with an elder or a disabled person apply in September but no benefits are issued until the first working day in November. The program doesn't officially open to the general public until 10/1.

## Estimated Funding Allocation, 2604(C), 2605(k)(1), 2605(b)(9), 2605(b)(16) - Assurances 9 and 16

1.2 Estimate what amount of available LIHEAP funds will be used for each component that you will operate: The total of all percentages must add up to 100%.

Categorical Eligibility, 2605(b)(2)(A) - Assurance 2, 2605(c)(1)(A), 2605(b)(8A) - Assurance 8

1.4 Do you consider households categorically eligible if one household member receives one of the following categories of benefits in the left column below?

- TANF
- SSI
- SNAP
- Means-tested Veterans Programs

If you answered "Yes" to question 1.4, you must complete the table below and answer questions 1.5 and 1.6.

1.5 Do you automatically enroll households without a direct annual application?

If Yes, explain:

1.6 How do you ensure there is no difference in the treatment of categorically eligible households from those not receiving other public assistance when determining eligibility and benefit amounts?

Categorical eligibility is only used for the income verification portion of our calculation. All households must complete an application, provide proof of out-of-pocket costs greater than $200 per year, and meet the other eligibility criteria. We use the same benefit determination calculation for all households.

SNAP Nominal Payments

1.7a Do you allocate LIHEAP funds toward a nominal payment for SNAP households?

If you answered "Yes" to question 1.7a, you must provide a response to questions 1.7b, 1.7c, and 1.7d.

2.2 Do you have additional eligibility requirements for Heating Assistance? ☐ Yes ☐ No

2.3 Check the appropriate boxes below and describe the policies for each.

☐ Do you require an Assets test?

☐ Do you have additional/differing eligibility policies for:

☐ Renters?

☐ Renters Living in subsidized housing?

☐ Renters with utilities included in the rent?

☐ Do you give priority in eligibility to:

☐ Elderly?

☐ Disabled?

☐ Young children?

☐ Households with high energy burdens?

☐ Other?

Explanations of policies for each “yes” checked above:

Renters who live in subsidized housing, pay for their own heat, and receive a utility allowance will receive a benefit equal to 50% of what they would have received if they did not get the utility allowance. If they live in subsidized housing and all utilities are included, they do not qualify for a heating assistance benefit because they have no costs.

Priority is given to elders and disabled in two ways. First, they are sent applications in late August/early September and can apply in September (before anyone else). After the start of the season their applications are identified by a green dot on the folder and these cases are worked first when we get to the date they applied on (so if we have 100 cases on a given day, the green dots are worked first). Families with young children are pre-mailed applications in September, before the official start of the season. Also, if an elder, disabled person or a household with a young child (under age 6) apply, they get one extra point ($140 extra) because they are part of the vulnerable population.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

4.1 Designate the income eligibility threshold used for the crisis component

<table>
<thead>
<tr>
<th>Add</th>
<th>Household size</th>
<th>Eligibility Guideline</th>
<th>Eligibility Threshold</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>All Household Sizes</td>

4.2 Provide your LIHEAP program’s definition for determining a crisis.

The household must be within 48 hours of shutoff, out of fuel, or within a day of running out of fuel. Also, their income for the month prior to the date they signed their application must be less than their shelter costs (mortgage/rent, electric and heat) for the same time period.

If we experience a natural disaster during the year, crisis funds may be used to assist victims replace heating equipment and fuel. If this happens, we will extend the dates of our crisis component.

4.3 What constitutes a life-threatening crisis?

Same as above except the outdoor temperature is at or below 32 degrees Fahrenheit.

Crisis Requirement, 2604(c)

4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 48 Hours

4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situations? 18 Hours

Crisis Eligibility, 2605(c)(1)(A)

4.6 Do you have additional eligibility requirements for CRISIS ASSISTANCE?  Yes  No

4.7 Check the appropriate boxes below and describe the policies for each

Do you require an Assets test?  Yes  No

Do you give priority in eligibility to:

- Elderly?  Yes  No
- Disabled?  Yes  No
- Young Children?  Yes  No
- Households with high energy burdens?  Yes  No
- Other?  Yes  No

In Order to receive crisis assistance:

- Must the household have received a shut-off notice or have a near empty tank?  Yes  No
- Must the household have been shut off or have an empty tank?  Yes  No
- Must the household have exhausted their regular heating benefit?  Yes  No
- Must renters with heating costs included in their rent have received an eviction notice?  Yes  No
- Must heating/cooling be medically necessary?  Yes  No
Must the household have non-working heating or cooling equipment?  
- Yes ☐  No ☑

Other?  
- Yes ☐  No ☑

Do you have additional / differing eligibility policies for:

- Renters?  
  - Yes ☐  No ☑

- Renters living in subsidized housing?  
  - Yes ☑  No ☐

- Renters with utilities included in the rent?  
  - Yes ☐  No ☑

Explanations of policies for each "yes" checked above:

As with the regular heating program, we give priority to elders and the disabled by working their applications ahead of others.

In order to receive a crisis, they must have a need and provide proof such as a shut-off notice (within 48 hours of shutoff), an empty tank of fuel or a renter who will be evicted for nonpayment of rent where their heat is included in their rent. They must also meet the shelter costs vs. income criteria where their shelter costs must be more than their income.

Renters who live in subsidized housing, pay for heating costs, and receive a utility allowance, receive 50% of the benefit they qualify for because they are already receiving a subsidy (utility allowance). If they live in subsidized housing and all utilities are included, they do not qualify for a heating assistance benefit because they have no costs.

Determination of Benefits

4.8 How do you handle crisis situations?

- Separate component
- Fast Track
- Other - Describe:  

4.9 If you have a separate component, how do you determine crisis assistance benefits?

- Amount to resolve the crisis.
- Other - Describe:  

Amount to resolve the crisis up to the total grant amount they are eligible for.

In cases of natural disasters, the amount of the benefit will depend upon the needs vs available funds. Will be addressed on a case by case basis.

Crisis Requirements, 2604(c)

4.10 Do you accept applications for energy crisis assistance at sites that are geographically accessible to all households in the area to be served?  
- Yes ☑  No ☐  Explain.

Clients may apply at any DPA office, by mail, or by faxing or e-mailing their application to us. We also use fee agents in rural, outlying communities to assist with completing the application and ensuring all documentation is included. In extenuating circumstances, we will take the application over the phone, work the benefit and send the application to the household to sign and return with all required proof (income, identity, heating bills, etc.). If they do not qualify after we get all the documentation back, we recoup the payment. This is only done in emergency and extreme cases.

4.11 Do you provide individuals who are physically disabled the means to:

- Submit applications for crisis benefits without leaving their homes?  
  - Yes ☑  No ☐  If No, explain.

- Travel to the sites at which applications for crisis assistance are accepted?  
  - Yes ☑  No ☐  If No, explain.

If you answered "No" to both options in question 4.11, please explain alternative means of intake to those who are homebound or physically disabled?

In extenuating circumstances, we will take the application over the phone, work the benefit and send the application to the household for signature and support documentation after their benefit is worked. If they do not qualify after we get all the documentation back, we recoup the payment.

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified...
