<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cooling</td>
<td>Yes</td>
<td>No</td>
</tr>
<tr>
<td>Crisis</td>
<td>Yes</td>
<td>No</td>
</tr>
</tbody>
</table>

**If yes, Describe.**

We do send the payments directly to the vendors for the clients. This is to avoid having the power shut off. There is no longer an office for Arizona Public Service which is the only company that provides electric services to the Cocopah Tribe. There are only pay stations and some places do not except checks for payment, and some pay stations charge a small fee which some clients can not afford. The gas companies that the tribe uses has local offices in the city of Yuma. Some of the clients do not have transportation and our local transit service an individual would have to many transfers which is confusing for our Elders.

### 9.2 How do you notify the client of the amount of assistance paid?

After the check is processed and mailed or delivered, within 5 working days after the application is completed the coordinator will call the client or do a home visit. The coordinator will let the client know at that time how much they were approved for and to let them know that the check was mailed or delivered to the vendors. We will also inform the client about the balance, if there is one that needs to be paid. If this is a crisis assistance we will notify the client within 48 hours.

### 9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The check that our finance department processes will have the client's name and account number on the check. The coordinator will review the check to make sure everything is correct before the check is mailed out to the vendor. When the next bill is delivered to the client, we have them check the bill and call our office to let us know if the amount that was paid is on the bill. There might be a few times where we will call the vendors; APS power company or propane companies to make sure the check was received and placed in the clients account.

### 9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

Arizona Public Service is the only electric company that provides service to our area of the State. Cocopah is able to speak directly to the billing department to let them know the client is seeking assistance; therefore APS will hold off on shutting off the power to the household until we can figure out the amount of assistance we can provide. The clients have not expressed any concerns about any mistreatment from the vendor (APS). We try to have the clients write down the name of the person that they spoke to about their energy bill or gas bill if there is a problem.

### 9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
</table>

**If so, describe the measures unregulated vendors may take.**

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.
Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

The coordinator keeps a log with individuals names, address, account #, cost of energy, the amount of LIHEAP assistance and the date check was mailed out. And If this is a crisis assistance, heating or cooling assistance. The coordinator also receives a monthly report from our finance department on the checks that were mailed out during that month. The coordinator has a budget spreadsheet which automatically subtracts the amounts of assistance that each household has received.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133?

When the application is approved the application will go to the finance department and the checks will be processed. Finance also keeps a copy of the application. Once the check is processed the finance department keeps a log on all LIHEAP transactions, and the information is given to the coordinator in the monthly report. The coordinator must sign for the
LIHEAP checks and the check stub is placed with the clients application. Once that is done the coordinator inputs all information such as; clients name, address, acct. #, total energy bill amount, approved amount of assistance and when the check was mailed out to the vendor. This is how the coordinator monitors the spending of the LIHEAP funds.

11.2 What changes did you make to your LIHEAP plan as a result of this participation?

   We have improved our application and intake process. We have helped a few families open an on-line account. This process has helped the clients get their current bill. Since there is no longer an office for Arizona Public Service in the local area we now have access to the energy information for the families. For future reference, we would like to have our younger families take a budgeting class when the families are seeking assistance.

The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

### Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

   (1) The dangers of drug abuse in the workplace;
   (2) The grantee's policy of maintaining a drug-free workplace;
   (3) Any available drug counseling, rehabilitation, and employee assistance
programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
(1) Abide by the terms of the statement; and
(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
