A database is maintained by YHHS intake staff. This allows staff to compare records kept by the Fiscal department's payment database. A vendor log is maintained by the program staff. The program coordinates with our Fiscal department and our Grants & Contracts Compliance department to ensure program monitoring and compliance is being met. The appropriate OMB circulars, cost principles and common administrative guidelines are followed. The fiscal department utilizes a secure accounting program MIP in which all budgets and the General ledger is entered and tracked. All component have separate line items with their own assigned GL code. Every entered LIHEAP budget is entered by Federal FY and assigned a project number. All payments are charged by unit codes according to line item categories. The program staff run reports of the projects and line items and cross referenced with the fiscal report with the program database and payment request forms. If any vendor checks are returned for any they end up in our Fiscal department and they will contact the vendor and inquire about the reasoning behind it being sent back. If this was done in error the check is sent back to them. Depending on if the amount was incorrect on the check they will void the check and make a new one for the correct amount.

### Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously
identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment
common rule and Drug-Free Workplace common rule apply to this certification.
Grantees' attention is called, in particular, to the following definitions from these
rules:

Controlled substance means a controlled substance in Schedules I through V of
the Controlled Substances Act (21 U.S.C. 812) and as further defined by
regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or
imposition of sentence, or both, by any judicial body charged with the
responsibility to determine violations of the Federal or State criminal drug
statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving
the manufacture, distribution, dispensing, use, or possession of any controlled
substance;

Employee means the employee of a grantee directly engaged in the performance
of work under a grant, including: (i) All direct charge employees; (ii) All indirect
charge employees unless their impact or involvement is insignificant to the
performance of the grant; and, (iii) Temporary personnel and consultants who
are directly engaged in the performance of work under the grant and who are on
the grantee's payroll. This definition does not include workers not on the payroll
of the grantee (e.g., volunteers, even if used to meet a matching requirement;
consultants or independent contractors not on the grantee's payroll; or
employees of subgrantees or subcontractors in covered workplaces).

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. writing, within 10 calendar days of the conviction, to every grant officer or other
designee, unless the Federal agency designates a central point for the receipt of
such notices. When notice is made to such a central point, it shall include the
