#### 9.2 How do you notify the client of the amount of assistance paid?

Decision letters are mailed to each applicant stating the decision, and the amount paid directly to the vendor within 20 days. Crisis Assistance applications are notified within 48 hours. In a life threatening crisis, the eligible household would be notified within 18 hours identifying what assistance is provided.

#### 9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

We have vendor agreements with all of our vendors. We work closely together to ensure that our clients energy needs are met. We have not had the problem of our vendors charging our clients more because they are a LIHEAP participant. The vendors treat the Nez Perce Tribe and our clients with kind customer service.

#### 9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

We have vendor agreements specially saying that our clients will not be treated any different or charged more due to them being a LIHEAP recipient.

Ongoing communication with both the vendor and grant recipient. Remaining professional and timely with payments that are pledged.

Usually by the time our client comes to us they have a high energy bill. The vendor does not know who will apply for LIHEAP and sets the energy as every single other person.

#### 9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.
10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

The Nez Perce tribe Social Services department and the Finance department of the Nez Perce tribe provide accounting services, fiscal control and fund accounting procedures for benefit payments. Documentations of energy bill, fuel invoices are required with the application. Contact with the vendor is then made with the vendor to verify validity. The Social Services Financial Assistance Specialist or designee review applications and determine eligibility. Upon approval of the application, the Nez Perce Tribe finance department issues a check in the approval benefit amount and indicates applicant's energy account number on the check payable to the vendor. Invoices are also required for fuel, or oil purchases and checks are made payable to vendor. Checks and balances are made by the Financial Assistance Specialist with each block of applicants approved and reconciled with monthly printouts from the finance department.

If the tribe receives a refund from a energy supplier, the applicants application and award would be documented. The refund would go back into the account that is specified for LIHEAP. The LIHEAP funds have a specific account with an accountant that itemizes the LIHEAP budget that is set once LIHEAP funds are received. Every Fiscal year a new account is set up for LIHEAP with line items for the fund.

11.6 What changes did you make to your LIHEAP plan as a result of the comments received at the public hearing(s)?

The face to face contacts through the application process have determined the user friendly status of applying. Applicants receive energy savings tips sheet with education on how to conserve and save energy in their home. Avista Utilities, one of our biggest vendors comes to our area with their mobile education/training van and provides training to clients how to conserve energy and hands out energy saving items during the NPT Housing Fair. I also would like to have a contest to compare the household that saves the most energy in this fiscal year compared to last year for a voucher to go to their energy company.

13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?

Most activities would include resource and referral with community partners, and phone calls with the vendors during the pledge process and verification of eligibility. Our finance department provides us with a monthly report including a break down of money spent and available.

13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.

Getting knowledge into our communities is key. This last fiscal year we did not run out as soon as we usually do. Clients are being more proactive in keeping up on their bills and budgeting. We referred many clients to partake in the budgeting classes provided by the Nez Perce Tribal Housing Authority, this class was able to help clients prioritize their money to pay bills versus activities. Our community also has a housing fair that energy companies are present at with information regarding energy savings such as energy saving light bulbs along with other materials and tips to lower your heating/cooling costs. We encourage all clients to attend.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

**Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

**Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

**Criminal drug statute** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

**Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)
The grantee certifies that it will or will continue to provide a drug-free workplace by:

(b) Establishing an ongoing drug-free awareness program to inform employees about --
   (1) The dangers of drug abuse in the workplace;
   (2) The grantee's policy of maintaining a drug-free workplace;
   (3) Any available drug counseling, rehabilitation, and employee assistance
programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
(1) Abide by the terms of the statement; and
(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -
(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;
(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
