2.2 Do you have additional eligibility requirements for HEATING ASSISTANCE?

- Yes
- No

2.3 Check the appropriate boxes below and describe the policies for each.

- Do you require an Assets test?
  - Yes
  - No

- Do you have additional/differing eligibility policies for:
  - Renters?
    - Yes
    - No
  - Renters Living in subsidized housing?

  - Young children?
    - Yes
    - No
  - Households with high energy burdens?
    - Yes
    - No
  - Other?
    - Yes
    - No

Explanations of policies for each “yes” checked above:

- Renters living in subsidized housing on the Fort Belknap Indian Reservation do not apply for LIHEAP, their energy costs are paid for in their monthly rent.

- Applications from the elderly are received and processed first. Vendors will be notified immediately upon receipt of grant funds.

- Applications from the disabled are received and processed with the elderly applications. Vendors are notified immediately upon receipt of grant funds.

- Applications from large households with young children are processed in a timely manner after the elderly and disabled. Vendors are notified immediately upon receipt of grant funds.

- Applications received from households with high energy burdens will be processed in a timely manner to avoid disconnects which result in added expense due to the additional fees if terminated.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

Applications are made available at the District Offices, all senior centers. HeadStart Offices, Tribal Health Office, and mailed upon request. Applications may be delivered in person if an elder or disabled person has need of assistance in leaving their house or filling out the application.

2.5 Check the variables you use to determine your benefit levels. (Check all that apply):

- Income
1. Income from all allowable sources is tabulated for 12 previous months.
2. Income is checked on payment matrix for family size for benefit amount.
3. Application is checked for fuel type: Electrical power or propane.
4. Dwelling type is checked for energy need: Is the dwelling heat source electrical, propane or a combination and which is the biggest burden to the consumer.

This payment matrix is based on the 60% State Median Income which was formulated with the technical assistance of a LIEAP consultant. Benefits are increased in each level to address the continued increased energy costs.

Income is tabulated to determine annual income, the family size determines the benefit amount in the appropriate bracket. The consumer designates the vendor they want their assistance to be paid to and that is who is notified. In this area, the consumer may be living in a house that is all electric, which is the highest energy usage or a combination of electricity and propane - this creates a difficult decision for the consumer because going without either means no heat or electricity.

If yes, Describe.

Notification of approved benefits are sent to the energy vendors and payment is made directly to the energy vendor. The approved amount is mailed to the LIHEAP consumer for their notice and for their confirmation of payment on their energy bills.

9.2 How do you notify the client of the amount of assistance paid?

By mail in all cases. Even if they ask by telephone or in person, a benefit statement is mailed to them as these are also required by the Food Stamp department.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

Benefit amounts are posted directly to all consumer accounts and payment histories are available in the event of a question on the bill. A log-in system is also available for use by the LIHEAP office to view a consumer's bill.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

Interaction is made specifically by the LIHEAP technician to make sure there will not be any question as to the receipt of benefits. Should a consumer have a problem with a vendor, their situation will be discussed with the vendor to clear up any misunderstandings.

9.5 Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

<table>

If so, describe the measures unregulated vendors may take.

Financial Process:
1. Development of Budget: Submitted to Grants Specialist to submit to Finance Committee/approval.
2. No expenditures allowed until Grant funds are received and posted to budget. Operate on C.O.
3. Expenditures are entered in CUFF reporting system for tracking and guard against overexpendings.
4. Requests for benefit payments are entered into the computer system, sent to Supervisor to approve and sent to Grants Specialist and other finance staff to process for payment.
5. Grants Specialist sends monthly finance statement for perusal and to check for accurateness.
6. Checks are copied at the program level before sending to vendors and check number is written on LIHEAP consumer benefit form for reference for payment.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133?

- Request for comments on draft Plan is advertised
- Stakeholder consultation meeting(s)
- Comments are solicited during outreach activities
- Other - Describe:

11.2 What changes did you make to your LIHEAP plan as a result of this participation?

Tried Cooling component, but did not work. Majority of LIHEAP consumers are TANF, GA, SSI and SS recipients and their constant worry are their electrical bills being going up due to increased use of air conditioners. LIHEAP applicants struggle year round to pay their electrical bills on very limited income and should they be disconnected, a penalty fee is attached for every disconnection on their payment histories. Many older consumer cannot use A.C. due to use of blood thinners.

Public Hearings, 2605(a)(2) - For States and the Commonwealth of Puerto Rico Only

<td>Input and Information Gathering</td>
</tr>
</tbody>
</table>

11.4 How many parties commented on your plan at the hearing(s)? 49

11.5 Summarize the comments you received at the hearing(s).

To summarize, the needs of people are more than LIHEAP can provide, they are living in older homes, old Air Force Homes, FEMA trailers, old trailers or the rental units from the Tribe. LIHEAP can assist with weatherization supplies, storm doors and window repair, but most homes are in need of roof replacements, professional installation of insulation and windows. LIHEAP assists with furnace repairs and replacement up to $500, but the cost of furnaces has gone up and cost sharing is no longer done with Tribal Housing or the local HRDC/Tribal Weatherization program.

11.6 What changes did you make to your LIHEAP plan as a result of the comments received at the public hearing(s)?

I will be contacting another State Agency for consumers to apply to for assistance. It is the USDA program out of Great Falls, MT and I just began working with her this past year. It is a long process and the consumers need to participate to submit all their documents in order to be considered. It is the only source here for people to obtain furnaces.

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

None.

12.4 Describe your fair hearing procedures for households whose applications are denied.

LIEAP consumers may request a hearing in writing to the LIEAP office within 10 days of receipt of any negative decisions on their application. Negative actions shall be documented in writing to the consumer and shall list the reasons for denial: Over-income, non-enrolled applicant, or any other lack of documentation necessary to the processing of their application. Hearing will be held with appropriated FBIC Staff members and consumer notified in writing of results of hearing.

Should the consumer still not agree with the decision reached at this level, the consumer may request in writing a more formal request for a hearing within 30 days of receipt of results. The consumer will be notified in writing of all results of hearing and results will be deemed final and permanent.

12.5 When and how are applicants informed of these rights?

Consumers are informed of their rights when they pick up their applications for assistance and why their signatures are needed should they disagree with any actions on their applications. All Household members over 18 are asked to sign the application.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

The procedure for a fair hearing is the same as for denial of assistance. Applications not acted on in a timely manner are usually due to the consumer being unable to obtain the required documents, in this case they are notified by mail of the documents they need to submit to the LIEAP office.

12.7 When and how are applicants informed of these rights?

When they pick up their applications for assistance for benefits.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

**Alternate I. (Grantees Other Than Individuals)**

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance
programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
(1) Abide by the terms of the statement; and
(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
