## Section 1 Program Components

### Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

1.1 Check which components you will operate under the LIHEAP program.

(Note: You must provide information for each component designated here as requested elsewhere in this plan.)

</tbody>
</table>

Provide further explanation for the dates of operation, if necessary:

The utility companies normally bill a month behind example: the month of May's bill is for the month of April's meter reading.

If the tribe starts Cooling Assistance in May, it will most likely be paying April's utility bill, which is not hot enough to use Cooling Assistance. When Cooling Assistance starts in the April, it is depleted before summer is over. The Tribe will be starting Cooling Assistance on June 15th to ensure the Cooling Assistance is used for summer months.

### Estimated Funding Allocation, 2604(C), 2605(k)(1), 2605(b)(9), 2605(b)(16) - Assurances 9 and 16

All households are required to submit income received from every household member, whether it be earned or unearned, so therefore each household's benefit amount is categorized by total income and household size. Benefit amount is not determined by what source of income is received or whether they do receive other state or government assistance.

Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

4.1 Designate the income eligibility threshold used for the crisis component

<table>
<thead>
<tr>
<th>Add</th>
<th>Household size</th>
<th>Eligibility Guideline</th>
<th>Eligibility Threshold</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>All Household Sizes</td>
<td>State Median Income</td>

</tr>
</tbody>
</table>

4.2 Provide your LIHEAP program’s definition for determining a crisis.

A crisis exists when the household faces a termination of utility services or exhaustion on supply or fuel and does not have available resources to meet this immediate need. A crisis may also exist due to extreme cold or heat which constitutes a threat to the health of a member of the household, or when a household’s means if heating requires repair or replacement. At times of extreme cold to heat the tribe may waive the need to have a shut off or empty fuel tank.

4.3 What constitutes a life-threatening crisis?

Client either receives a disconnect notice on their energy services, has been disconnected and someone in the home has medical condition that requires service that was disconnected, and/or if the area in which the client resides has been declared in state of emergency.

Crisis Requirement, 2604(c)

4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 24 Hours

4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situations? 8 Hours

Crisis Eligibility, 2605(c)(1)(A)

- Elderly? ☐ Yes ☒ No
- Disabled? ☐ Yes ☒ No
- Young Children? ☐ Yes ☒ No

- Other? ☐ Yes ☒ No

In Order to receive crisis assistance:

- Must the household have received a shut-off notice or have a near empty tank? ☐ Yes ☒ No
- Must the household have been shut off or have an empty tank? ☐ Yes ☒ No
- Must the household have exhausted their regular heating benefit? ☐ Yes ☒ No
- Must renters with heating costs included in their rent have received an eviction notice? ☐ Yes ☒ No
- Must heating/cooling be medically necessary? ☐ Yes ☒ No
Must the household have non-working heating or cooling equipment?
- Yes
- No

Do you have additional / differing eligibility policies for:

- Renters?
  - Yes
  - No
- Renters living in subsidized housing?
  - Yes
  - No
- Renters with utilities included in the rent?
  - Yes
  - No

Explanations of policies for each "yes" checked above:

Priority is given to vulnerable populations by giving them an additional $25 toward their benefits amount. In order for assistance to be considered a crisis, the client needs to have received a shut off notice or a state of emergency must be declared for the area in which the client resides.

Determination of Benefits

4.8 How do you handle crisis situations?
- Separate component
- Fast Track
- Other - Describe:
  
  The Program will process applications urgently to avoid disconnection, accept LIHEAP Application and required documents, identify there is a Crisis (disconnect notice), and verify with utility company the balance due. The program will verify if the client has been already been disconnected or not ( LIHEAP does not help with services that have already been disconnected and the program will not pay reconnect fee) and verify with DHS and Tribal entities to determine client has not previously used Crisis Assistance within the fiscal year. If cleared the program will provide services up to $250.00 for Crisis. If the amount is lower than $250.00, LIHEAP will only pay the balance due.

4.9 If you have a separate component, how do you determine crisis assistance benefits?
- Amount to resolve the crisis.
- Other - Describe:
  
  Amount to resolve the crisis up to $250

Crisis Requirements, 2604(c)

4.10 Do you accept applications for energy crisis assistance at sites that are geographically accessible to all households in the area to be served?
- Yes
- No

Explain.

We work with Tribes, DHS offices, churches, and other organizations, that are in the area in which the client resides so that we can conduct intake and provide services ASAP.

Applications are easily accessible. The program will fax, email, U.S. Mail, hand deliver application to clients. Clients also have the choice to return the application to our office either by fax, email, US Mail, hand deliver on homevisit to deliver the application if the crisis is crucial to where the cut off is that day or with in hours or clients with physical disability.

Our application and guidelines can also be printed off our Tribal Website at www.wichitatribecom

4.11 Do you provide individuals who are physically disabled the means to:

- Submit applications for crisis benefits without leaving their homes?
  - Yes
  - No
  - If No, explain.
- Travel to the sites at which applications for crisis assistance are accepted?
  - Yes
  - No
  - If No, explain.

If you answered "No" to both options in question 4.11, please explain alternative means of intake to those who are homebound or physically disabled?

Benefit Levels, 2605(c)(1)(B)

4.12 Indicate the maximum benefit for each type of crisis assistance offered.

- Winter Crisis $250.00 maximum benefit
- Summer Crisis $250.00 maximum benefit
- Year-round Crisis $250.00 maximum benefit
4.13 Do you provide in-kind (e.g. blankets, space heaters, fans) and/or other forms of benefits?

- **Yes**  - **No**  
  **If yes, Describe**

We will provide necessary assistance for safety during state of emergencies where utilities are not able to be provided due to extreme weather.

If LIHEAP funds do not pay for this, the Tribal Funded Social Services Program also has a Community Service Block Grant that helps with weatherization and can provide space heaters, fans, blankets etc.

The Tribal Funded Social Services Program also has a natural disaster program that may help in serious times of crisis / state of emergencies.

4.14 Do you provide for equipment repair or replacement using crisis funds?

- **Yes**  - **No**

If you answered "Yes" to question 4.14, you must complete question 4.15.

4.15 Check appropriate boxes below to indicate type(s) of assistance provided.

4.16 Do any of the utility vendors you work with enforce a moratorium on shut offs?

- **Yes**  - **No**

If you responded "Yes" to question 4.16, you must respond to question 4.17.

4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.

One of our local utility companies will make our clients sign an extension if sending a payment pledge after the due date or if we notify the company that LIHEAP will be helping on that account. Our local utility company only provides two extensions a year. After a client uses cooling or heating and then later uses the crisis, clients are left without an extension for the rest of the year through the utility company. Not having an available extension tends to put clients in a situation to where no LIHEAP services can be provided to help since they already used it for the fiscal year, then have no extension left since they were used up with the utility company too. Also, if the payment pledges are sent the day of cut off the payment pledge is not honored. All accounts being assisted have to submit funds to company by the last business day of the month or client will be disconnected.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

If yes, Describe.

Yes, the program staff will process a check that is mailed or hand delivered directly to the energy supplier after household has been approved for assistance.

9.2 How do you notify the client of the amount of assistance paid?

A notice letter is generated by the program staff and sent to the household. In most cases, clients are notified via telephone as well. In addition, a letter of intent to pay is sent to the supplier via fax or email.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

A vendor agreement is executed verbally to assure that the LIHEAP recipient's household are treated in the exact same manner as private pay customers, as well as, assuring that the supplier will comply with State Statutes related to provision and termination of utility services. The verbal agreement is noted in the case narrative in the client's file.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.
10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

Funds are used only during the allowable contractual period such as heating assistance runs through the winter months (Oct, Nov, Dec, Jan, Feb, & Mar) cooling assistance runs through the summer months (May, Jun, Jul, Aug & Sept). Crisis assistance runs all year round, half of the crisis funds for summer and half are for winter. Each category has its own budget line number to assist in tracking expenditures for the specific category (crisis assistance, cooling assistance, heating assistance) and by federal fiscal year. The outsourced tribal contracted finance office and director have access to this daily. The general ledger is also accessible on a daily basis as well.

LIHEAP expenditures are monitored by the director with a spreadsheet separated for each case assisted for heating, cooling, and crisis assistance. The tribal contracted finance office also assure that funds are expended within the requirements of the statute.

A grant file is made up for LIHEAP with grant renewal documents, award letters, office running expenditures and budget modifications to ensure funds are expended within the requirements of the statute.

Also by a simple survey to clients, community members (tribal & non-tribal), other low-income program participants (see attachment)

We had a Program Showcase on 7-19-19, the Showcase consisted of a LIHEAP program overview, which included Heating Assistance, Cooling Assistance, and Crisis Assistance. It also consisted of a Matrix and how it is read for benefits and how it is developed for each year. After the overview, there was time for questions/answers and comments on any changes or improvements that need to be made to LIHEAP.

11.2 What changes did you make to your LIHEAP plan as a result of this participation?

The dates in which the heating and cooling assistance are available were changed to better meet the demand for services due to the way local utility vendors bill the clients so that LIHEAP funds can assist with the much higher bills during the peak of summer and winter.

11.3 List the date and location(s) that you held public hearing(s) on the proposed use and distribution of your LIHEAP funds?

11.4 How many parties commented on your plan at the hearing(s)? 0

11.5 Summarize the comments you received at the hearing(s).
No booth was set up this year at the Tribal Council Meeting, since the showcase was the day before the Tribal Council Meeting. There were some questions at the program showcase from clients. Questions were: Does the utility bill have to be in the applicant's name? Where can I obtain a copy of the guidelines? Why don't the funds last all year when the client needs it, and it has been depleted already? Do you have to have an original Social Security Card to apply? When do the heating assistance start?

Information was posted on the tribal website, social media website, and tribal and local newspapers.

11.6 What changes did you make to your LIHEAP plan as a result of the comments received at the public hearing(s)?

Only the availability dates were changed. A survey for LIHEAP will be implemented for 2019-2020 funding year so that more feedback can be documented and better addressed for continuing funding purposes and to better address client's needs for all future changes as the cost of utility rises.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

If the applicant is unsatisfied with services, they have the right to a fair hearing. If the client chooses to request a fair hearing they must submit the request in writing to the program director within five (5) working business days after receiving denial notice. Failure to do so shall constitute acceptance of denial. Should the client file request within prescribed time period, the director has two (2) working business days to respond to the request. If the client is not satisfied with the director's response, a hearing is then scheduled with the Tribal Administrator. If the client chooses to request a fair hearing they must submit the request in writing to the program director within five (10) working business days if application is not acted on in a timely manner. Failure to do so shall constitute acceptance of denial. Should the client file request within prescribed time period, the director has two (2) working business days to respond to the request. If the client is not satisfied with the director's response, a hearing is then scheduled with the Tribal Administrator.

If a hearing is requested due to an untimely response or delay, the fair hearing procedure is same as the denial process mentioned above. All correspondence will be documented client's file to ensure responses are handled in a timely manner.

12.7 When and how are applicants informed of these rights?

As soon as it is brought to the staff's attention that the application was not processed in a timely manner the client will receive a phone call and letter explaining their rights.

The rights are printed on the checklist/guideline page of the LIHEAP application. They are also made aware of their rights when notified of denial via phone and letter. There is a sign/notice posted in the lobby of the Family & Children Service building and there are signs/notices posted in the director's and caseworker's office. Also, the receptionist advises each client of their rights during their initial submission. Receptionist also informs clients how long the program staff has to process applications. Also when demand for assistance is greater a notice is posted to inform clients that process may take longer than expected due to higher volume of incoming applications at that time.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
