If yes, Describe.

The local agencies are responsible for paying the home energy suppliers for heating grants that the clients receive.

9.2 How do you notify the client of the amount of assistance paid?

Confirmation notices are sent to the clients and to the fuel vendors after the grant award has been approved.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The community action agencies enter the fuel slip/invoices into the software system. An annual review of the fuel vendor's files is completed. Also there is language in our vendor agreement to address this as well.

1. To charge the lower of, for all Primary and Emergency Grants:
   a. The vendor's daily posted price per gallon on the day of delivery.
   b. Any price per gallon agreement client and Vendor has entered into.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

Fuel vendors are monitored every year to verify pricing and that the grant award was fully utilized. Rhode Island monitors a sample of fuel vendors annually to make sure HEAP clients are being treated the same as all the other fuel vendor's clients.

The vendor agreement that the vendors must sign has several provisions stating that HEAP clients must be treated the same as the other fuel vendor's clients.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

☐ Yes ☐ No

If so, describe the measures unregulated vendors may take.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.
Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

The Fiscal office records and tracks all expenditures by account code. One administrative priority is accurate and timely fiscal reporting. A portion of the State's administrative budget is for a full time fiscal officer to track all LIHEAP payments.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A-133?

Yes [ ] No [ ]

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings? No additional changes have been made.

12.4 Describe your fair hearing procedures for households whose applications are denied.

Households determined ineligible are notified in writing by the agency regarding the reason for the denial along with documentation explaining the appeal process. Applicants are given ten days after the receipt of the denial notice to request a hearing. The agency must ensure that a hearing is scheduled not more than five business days after the request for a hearing has been made. The applicant is first offered a hearing from an impartial representative(s) from the community action agency that processed the application. The applicant has the right to bring a representative and/or present oral or written evidence. The applicant also has the right to review the case file. If a satisfactory resolution cannot be reached the client has the right for a second appeal with the Rhode Island DHS office.

12.5 When and how are applicants informed of these rights?

Clients are informed about the appeal/hearing process on the application and during the application intake appointment. Information is also mailed along with the denial notice.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

A hearing can be requested for any reason, that includes the time frame to process an application. Most applications are processed during the intake interview which reduces the likelihood that applications are not acted on in a timely manner. The fair hearing process is the same regardless of the reason for filing it.

12.7 When and how are applicants informed of these rights?

Clients are informed about the appeal/hearing process in writing on the application and during their application intake appointment.

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP performance measures. Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

In FFY 2019, Rhode Island’s main utility vendor (National Grid) and LIHEAP software vendor (Hancock) provided the appropriate data for us to complete the FFY 2018 report. Rhode Island now has the process in place to gather data from the utility vendors. Rhode Island is working on the process for collecting energy burden data from oil vendors and plans to have data from the large oil vendors to use in FFY 2020. Rhode Island is working with the software vendor and community action agencies to adjust the software and intake procedures so that we can collect data for the prevention and restoration for utilities in FFY 2020.

In addition, Rhode Island currently has the ability to break down the number of crisis grants that go to LIHEAP households that:

- needed fuel and could not pay for delivery (fuel oil households)
- had energy service disconnected and then restored (utility households)
- had a repair or replacement of a non-operable home energy equipment (both fuel oil and utility households)

Please see attached document for more information (Section 16 Performance Goals and Measures - Comments - Rhode Island).

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

   (1) The dangers of drug abuse in the workplace;
   (2) The grantee’s policy of maintaining a drug-free workplace;
   (3) Any available drug counseling, rehabilitation, and employee assistance

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(1) Abide by the terms of the statement; and

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
