### Determination of Benefits

#### 4.8 How do you handle crisis situations?

- **Separate component**
- **Fast Track**
- **Other - Describe:**

  If a household has a 48 hour shut off notice or is within 10% of depleting deliverable fuel and faces an event beyond their control resulting in the inability to pay household's utility costs, the household will receive preferential treatment in their application process. The workers will work with the utility companies to make a commitment of payment to avoid shut off.

#### 4.9 If you have a separate component, how do you determine crisis assistance benefits?

- **Amount to resolve the crisis.**
- **Other - Describe:**

  The amount available for crisis is the amount necessary to resolve the crisis, but not create a credit balance on the account, up to $1,000.00 per household up to two utilities.

  Crisis situations that require payment of more than $1,000.00 per utility can be made with State approval.

### Crisis Requirements, 2604(c)

#### 4.10 Do you accept applications for energy crisis assistance at sites that are geographically accessible to all households in the area to be served?

- **Yes**
- **No**

  We have HEAT workers located throughout Utah to assist with applications for benefits. The staff at the local offices go to locations within their geographical service area to assist clients with outreach applications. In some circumstances, accommodations can be made for an intake worker to go to a client's home to assist with an application.

#### 4.11 Do you provide individuals who are physically disabled the means to:

- **Submit applications for crisis benefits without leaving their homes?**
  - **Yes**
  - **No**

  If No, explain.

- **Travel to the sites at which applications for crisis assistance are accepted?**

  - **No**

  If No, explain.

If you answered "No" to both options in question 4.11, please explain alternative means of intake to those who are homebound or physically disabled.

### Benefit Levels, 2605(c)(1)(B)

☐ Yes  ☐ No  If yes, Describe

Each service area determines the needs of their clients and provides blankets, space heaters, or fans as needed. They will also provide other energy saving tools such as caulking, film for windows, etc.

4.14 Do you provide for equipment repair or replacement using crisis funds?
☐ Yes  ☐ No

4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.

In Utah, the moratorium program applies to all regulated utilities and runs from November 15th through March 15th. The state HEAT office has the option of beginning it earlier or extending it longer when severe weather conditions warrant. To qualify, the applicant must be the adult residential account holder or have his/her name on the account, live at the address of service needed protecting, has a termination notice from the utility company, be HEAT approved, and make a good faith effort to pay their utility bill on a consistent basis during the moratorium.

Quarterly meetings are held with the HEAT supervisors to review program changes and updates. They provide their feedback on the changes after a thorough discussion of each proposed change.

#### 11.2 What changes did you make to your LIHEAP plan as a result of this participation?

Other comments included questions about time frames for responses to crisis situations. Local agencies are required to respond to crisis inquiries and applications within 24 hours.

We sent them raw data we had collected for the different sections of the report.

APRISE is in the process of updating our report numbers to match the data reports we sent them. We have agreed to receive training on the performance measures once the FY 18 is finalized. The Utah LIHEAP team is comprised of all new team members - a new manager and two new program specialists. We will continue to work on accurate data collection and reporting.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)
The grantee certifies that it will or will continue to provide a drug-free workplace by:

1. The dangers of drug abuse in the workplace;

2. The grantee’s policy of maintaining a drug-free workplace;

3. Any available drug counseling, rehabilitation, and employee assistance

(1) Abide by the terms of the statement; and

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
