4.2 Provide your LIHEAP program's definition for determining a crisis.

A crisis is defined as an eligible participant that has received notice of energy service including propane and electricity disconnection.

Any household with disabled, those over 60 and under 5 years of age are processed prior to all other crisis intervention applicants, and all will be addressed within 48 hours.

If the applicant has already received heating benefits then this would be considered crisis funds.

If regular distributions have yet to be disbursed due to the crisis occurring before the application period, the client is still eligible for these crisis funds but this will be deducted from their regular distribution, thus allowing the client to apply for crisis intervention again later in the year.

4.3 What constitutes a life-threatening crisis?

Life threatening crisis is defined as those that qualify for crisis intervention but also have a life threatening medical need for energy such as an oxygen machine, c-pap machine, etc. and households with those over 60 and under 5 years of age residing in the home.

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

1. a. Exercise effective oversight of program operations and accountability for Federal funds;

The Quinault Indian Nation has operated and managed grants and contracts successfully for more than thirty years and currently operates with an annual total budget in excess of twenty eight million dollars. The Quinault Nation has adopted an accounting process and procedures that conform to generally accepted accounting principles. Our accounting practices have been certified by auditors and are adequate for the management of grants and contracts. Standard operations include the segregation of duties, internally auditing and the full time employment of a Compliance Officer. We have also adopted a Procurement and Property Management Manual that complies with OMB Circulars A-102 (Common Rules) and A-87 (Cost Principles) requirements for purchasing and management of capital/no-capital equipment and other property. We are also in conformance with 25 CFR Part 900 and all other funding agency compliance regulations including the following: Civil Rights Compliance, Confidentiality and Human Subjects Protections regulations, Anti-Lobbying Act, Financial and Governmental Audit, Requirements, National Environmental Policy Act compliance, DOJ Information Technology Standards, Single Point of Contact Review, Non-Supplanting of State or Local Funds and Criminal Penalty for False Statements.

The Quinault Indian Nation is sovereign, self governance Indian Tribe and is therefore responsible to prudently manage and self direct the fiduciary trust responsibilities of its people. The scope of services currently compacted and contracted with the Federal Government is broad and comprehensive.

The Nation’s internal controls administered by its Grants and Contracts Department and the LIHEAP Program Manager will sufficiently allow the Nation to manage this operation contract.

Receipt and Disbursement of Grant Funds: The Quinault Indian Nation has two internal control systems in place to assure the responsible administration of grant funding. These systems include 1) a Grants Compliance Officer and 2) Oversight Hearings. The Grants Compliance Officer works through the Office of Grants & Contracts and reviews programmatic compliance on a quarterly basis. In addition, all Nation programs are subject to periodic random audit to assure the utmost integrity in funding disbursement and compliance. Also, the Nation maintains a quarterly Oversight Hearing performed by the Quinault Business Committee. These hearings review the fiscal and performance capabilities of all programs. These meetings provide tribal members with an accountability mechanism for the use and usefulness of funding. Recommendations from the Oversight Hearings are forwarded to 1) the Tribal Operations Director for performance revisions and 2) the Budget Committee for fiscal oversight.

Financial Reporting: The Quinault Indian Nation requires quarterly reporting of all monies spent per program, department, project and division, to include both expenditures and unobligated balances of budgets per award. This function is facilitated through the Nation's Finance Department with reporting copied to the Office of Grants & Contracts where the Nation's Grants Compliance Officer reviews the financial transactions for compliance with Federal rules and regulations.

Programmatic Reporting: The Nation understands that periodic progress reports are required to inform the funding agency of the status of this program. This reporting is administrated through the Office of Grants & Contracts, who also serves as the point of contact on this program for all fiscal management and reporting functions. As a matter of policy, all departmental programs are required to submit quarterly and annual reports for Oversight Hearings. This process is facilitated through the Chief Financial Officer.

The current tribal administration is as follows: Chairman: Fawn Sharp, Vice chairman: Tyson Johnston, Treasurer: Larry Ralston, Secretary: Latosha Underwood, 1st councilmen: Gina James, 2nd councilmen: Chet Tweed, 3rd councilmen: John Bryson at this time, 4th councilmen: Noreen Underwood, 5th councilmen: Dawneen Delecruz, 6th councilmen: Clarinda “Pies” Underwood, 7th councilmen: Thomas Obi.

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of
the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)
The grantee certifies that it will or will continue to provide a drug-free workplace by:

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance
programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
(1) Abide by the terms of the statement; and
(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -
(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
