Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

The Chuathbaluk Traditional Council will notify the client that their heating assistance award is at the local fuel vendor, the City of Chuathbaluk. When people apply for heating assistance in Rural Alaska, they keep in contact with the agency who is distributing the funds on a daily basis because the need is so high. Due to the low number of clients, the tribe anticipates a minimum amount of turn-around time between completion of the applications and the distribution of awards to the fuel and electric company vendors.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

We have a written Memorandum of Agreement between the vendor and the tribe in place for the heating and crisis components of the LIHEAP grant that is re-applied for every federal fiscal year. Please see sample MOA attached.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

In the Memorandum of Agreement, or Vendor Agreement, it states:

(Vendor Name) Agrees to:

Provide heating fuel or gasoline to the approved list of Chuathbaluk Households;

Provide this fuel during normal business hours; unless an applicant is in a life-threatening energy crisis after hours or on a weekend, heating fuel oil will be provided to them;

Provide the complete amount of fuel paid for during the winter of 2018-2019; and

The service will be provided for at no additional cost to the household (besides the agreed upon price per gallon).

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

- 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**
- 5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
