Heating Yes No

If a copy of the receipt of payment is requested by the applicant, a copy of the receipt will be given as proof of payment/assistance.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The process is to screen the bill/voucher by the energy supplier and check the consumption history, the electrical rate disclosure and reconcile the customer charge for accuracy. A phone call to the vendor may also be placed to confirm amount of payment if the Finance Department discovers a discrepancy upon reconciling.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

The payment from LIHEAP funds does not have any information indication the client is utilizing the LIHEAP funds on the vendor check; the Tribal procedure is to only indicate the name of the account holder and the account number are listed on the check stub for identification purposes. This practice ensures there are no adverse treatment for LIHEAP recipients.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

- 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
