13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance?

The Georgia LIHEAP program has set aside .001% of the regular LIHEAP funds in FFY 2014 for Assurance 16 services to eligible households.

In an effort to address the issues related to lack of heating, choices of unsafe means of heating, cooking and attending to personal needs, the following procedures are in place to perform the following types of activities under Assurance 16:

-Mass outreach materials were designed and mailed out to customers, especially those in the most vulnerable groups.

-Fuel providers were contacted to negotiate payment arrangements and re-connection of services.

-Consumer counseling regarding bill payments, schedules of payments, unsafe means of heating, energy conservation, budget billing, and other such information necessary to alleviate the energy burden.

-Partnerships were formed and maintained in an effort to strengthen and extend the resources available to low-income households. These resources were provided to consumers who may not have met all of the LIHEAP guidelines and to those whose bill amounts were higher than the allowable LIHEAP benefit.

13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?

The state budgets no more than .001% of the grant for Assurance 16 activities. The funds are loaded into the automated system which will not allow expenditures beyond the amount pre- allocated.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
